Halden Kitchens Ltd - Accounts Payable Policy

1. Approval limits

Invoices up to £1,000.00 gross may be approved by a site manager. Invoices over £1,000.00 and up to £5,000.00 need the finance manager's approval. Invoices over £5,000.00 must be approved by a director.

2. Checking invoices

Every supplier invoice is checked against the supplier's contract and, for goods, against the signed delivery note before it is approved. No supplier's invoices are exempt from checking.

3. Disputes

Any dispute about an invoice must be raised with the supplier in writing within 14 days of receiving the invoice. Disputed amounts are held back; the undisputed balance is paid on time.

4. Payment runs

Approved invoices are paid in a weekly payment run every Thursday, so that each invoice is paid by its due date.
